## Goldilocks and the three bears

Once upon a time there were three bears:  
Daddy Bear, Mummy Bear and Baby Bear.  
One day, Mummy Bear made some porridge.  
The porridge was very hot, so the three bears went for a walk.

While they were out, a little girl called Goldilocks saw  
the three bears' house.  
She opened the door and went inside.

Goldilocks was hungry. She saw the porridge.  
First, she tried Daddy Bear's porridge, but it was too hot.  
Then, she tried Mummy Bear's porridge, but it was too cold.  
Then, she tried Baby Bear's porridge.  
It was just right! Goldilocks ate it all.

Goldilocks was tired. She saw three chairs.  
First, she tried Daddy Bear's chair, but it was too hard.  
Then, she tried Mummy Bear's chair, but it was too soft.  
Then, she tried Baby Bear's chair. It was just right!  
Crash! The chair broke and Goldilocks fell on the floor.

Goldilocks went into the bedroom. She saw three beds.  
First, she tried Daddy Bear's bed, but it was too hard.  
Then, she tried Mummy Bear's bed, but it was too soft.  
Then, she tried Baby Bear's bed. It was just right!  
Goldilocks went to sleep.

The three bears came home.  
'Someone's been eating my porridge!' said Daddy Bear.  
'Someone's been eating my porridge!' said Mummy Bear.  
'Someone's been eating my porridge!' said Baby Bear,  
'And it's all gone!'

'Someone's been sitting on my chair!' said Daddy Bear.  
'Someone's been sitting on my chair!' said Mummy Bear.  
'Someone's been sitting on my chair!' said Baby Bear,  
'And it's broken!'

The three bears went into the bedroom.  
'Someone's been sleeping on my bed!' said Daddy Bear.  
'Someone's been sleeping on my bed!' said Mummy Bear.  
'Someone's been sleeping on my bed!' said Baby Bear,  
'And look! There she is!'  
Goldilocks woke up! She jumped out of bed and ran away!
